Safety Report: Due to the timing of the board meeting, no safety meetings have been held this month. There are no safety issues.

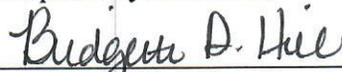

Under Old Business: Joe Wamble presented the board with information on TLW's septic tanks on Hwy 457/West Bypass after Board Member Peyton Harper raised concerns about customers paying sewer charges for these septic tanks. In Mr. Wamble's presentation, several options were given to the board on how TLW could proceed with these concerns. Under Other Business: Bridgette Hill informed the board of the possibility of receiving a letter from TVA about the audit being overdue.
